Team Olivia acquires Ockelbos Personligaste Assistans

Ockelbos Personligaste Assistans (OP Assistans) has chosen to become a part of Team Olivia, thereby contributing to the development of our personal assistance offering.

OP Assistans conducts personal assistance in Ockelbo, Sandviken and Gävle since 1998. The company's founder, Pemilla Hålen and Ola Hålen, who over the years developed the company and made a significant contribution to the assistance sector, have decided to sell their company to Team Olivia. OP Assistans currently has more than 70 customers and 550 employees. The acquisition was completed on January 12, 2018 and brings another well-reputed and quality-oriented assisting company to Team Olivia.

"We needed a partner with a strong focus on quality, which can preserve our brand and strong value base. Together we can develop our business organisation to meet the future. We see many benefits of Team Olivia, and their concept and experience match our needs well", says Pemilla Hålen and Ola Hålen.

"OP Assistans is a reputable and established assistance company that has contributed to the development of the sector since the introduction of the LSS Act. We are extremely proud that we will jointly continue to develop this well-run business," comments Ulrica Björnör, Head of Team Olivia Personal Assistance.
